

Minimum Wage

For salaried staff it is important that hours worked in any given pay period do not equate to an hourly rate of pay that equals less the the minimum hourly rate of pay.

Go back to another Pay Period for all staff

Number of hours in this Pay Period that this person will need to work before their effective hourly rate of pay will be at minimum wage of \$15.75/ hour

This is the number of paid hours remaining in the current Pay Period. It represents the Total hours the person could work minus the hours worked so far.

Daily contracted hours is a reference to the number of hours this team member has been set up with in Agrismart. It is a guide only and in no way a guide to what he/ she should be working.

Employee	Pay period	Maximum hours at minimum rate	Paid hours	Paid hours remaining	Days remaining	Maximum hours/day	Daily contracted hours
Bill Fletcher Supervisor () Equinox Farms	Aug 3 to Aug 16	134.31	39.17	95.14	7	13.59	10.00
Dami Rivista Farm Manager Equinox Farms	Aug 7 to Aug 20	126.98	0.00	126.98	11	11.54	10.00
David Maxwell Other Rainbow Farm	Aug 3 to Aug 16	128.90	0.00	128.90	7	18.41	10.00
Gary Crane Other Rainbow Farm	Aug 7 to Aug 20	-	8.00	-	-	-	-
Mel Dingle Other Equinox Farms	Aug 7 to Aug 20	126.98	5.00	121.98	11	11.09	9.00

The dates of the current Pay Period for each staff member.

Gary Crane is on wages

Hours of work so far this pay period including all other paid time (AL, SL, etc)

This is the number of days remaining in the current Pay Period

This figure represents the average number of hours per day that a person can work to stay at or below Minimum wage for the current Pay Period. It does not consider Rostered Days off in the days left
