

PRINTING

There are print icons throughout AgriSmart, however sometimes there is an issue with the colours being printed properly. This can be a Browser issue but is easily rectified, as below:

Google Chrome

Click on the Customise Icon:

Click Print:

		θ	-	C	p	\times	
			☆	C	9	:	
	New tab New window				Ctrl+T		
					Ctrl+N		
9	New incognito window Ctrl+Shift+					۰N	
	History					•	
	Downloads	ownloads Ctrl+J				+ J	
	Bookmarks					•	
	Zoom	-	100%	+		23	
2	Print			Ctrl+P			
	Cast						
	El a d				CHI		

Click More Settings:

Print Total: 6 pages	Save
Destination	Save as PDF
Pages	 All e.g. 1-5, 8, 11-13
Layout + More sett	Portrait •

Check the Background Graphics:

Options	Simplify page
	🕢 Headers and footers
	Background graphics

Mozilla Firefox

Click on the Menu Icon:

Click Print:

Click Page Setup:

Check the Print Backgrounds box and click OK:

Page Setup	×
Format & Options Margins & Header/Footer	
Format Orientation:	
Scale: 100 % ☑ Shrink to fit Page Width	
Print Background (colors & images)	
OK Cancel	

<u>Safari</u>

- 1. Press **command** + **P** on keyboard
- 2. Click Show Details
- 3. Check box for **Print Backgrounds**
